Gard Takes Lead In Time Out for Ginger

Rose Ann Gard has captured the lead role in "Time Out For Ginger", the next Drama Department play. The play by Ronald Alexander will be presented March 24 and 25 in the main auditorium of the Administration Building.

Lasley Has Male Lead

The play opens with a fairly staid banker, Howard Carol, (Jack Lasley) who needs some type of creative release and finds this release in lecturing to local high school classes on the need for self-fulfillment.

The youngest of his three daughters, Ginger, (Rose Ann Gard) has been quite impressed by her father's exhortations. Ginger has even decided that her own true fulfillment can be fully realized only if she goes out for the football team.

Several complications concerning this decision arise: Mr. Carol's job is jeopardized, and the elder sisters (Mary Akers and Mary Pritchard) insist their social life has been blighted—especially the sister whose boyfriend is captain of the football team.

Feminine Football??

The feminine football player herself finds that playing football and being a girl are not always compatible. After a number of very riotous happenings the play ends quite happily.

Other members of the cast are: Pat Logan, Lizzie; Sydney

Thomas, Agnes Carol, the mother; Bob Sandmaier, Ed Hoffman; Dan Bachand, Mr. Wilson; James Hurley, Tommy Green, Ginger's boyfriend; and Perry Spies, Eddie Davis, an athlete.

Rehearsals for the play began February 9. Dr. Ralph Fulson is directing the play.

SNEA MIXER

A foreign student mixer will be held at the SNEA meeting tonight at 7:00 in the Union. Mrs. Dorothy Walker will be the caller.

Enrollment Increases

Enrollment at Northwest State College has climbed to 1,844 for the spring semester, the college announces. This figure includes 23 graduate students.

This semester's enrollment is 108 more than the total of 1,736 registered for the spring semester last year.

Loan Announcement

All students desiring loans for the summer session under the National Defense Loan Act must have their applications completed by February 28.

For further information, contact Dr. Sterling Surrey, CR 207A.

Religious Week To Be Mar. 5-9

Northwest Missouri State College will observe its annual Religious Emphasis Week March 5-9. This is done each year to observe and point out the importance of Christian training and living in the lives of the students.

Duce to Speak

This year's theme will be "The Dimension of Quality." The main speaker will be Dr. Leonard A. Duce, Dean of the Graduate School, Trinity University, San Antonio, Texas.

The opening session will be held Sunday, March 5, at 5 p.m. in the Union Lounge.

Kathy Palmquist and Barrie Parks are co-chairmen. They have announced the following committees:

Committees

Arrangements — Dixie Gommel and John Gilliland, co-chairmen.

Book Display—Monica Parks and Kay Anderson, co-chairmen.

Classroom Appointments — Martha Whitehead and Susan Grube, co-chairmen.

Hospitality — Connie Johnson and Max Buckner, co-chairmen.

Organizational Appointments — Judy Slusher and Pat Rowan, co-chairmen.

Personal Conferences — Anne Seymour and Carol Fankhauser, co-chairmen.

Program—Barrie Parks and Kathy Palmquist, co-chairmen.

Publicity — Dick Brown and Rae Ann Nixon, co-chairmen.

Worship — Karen Miller and Ernie Mertz, co-chairmen.

APO to Sponsor School Carnival

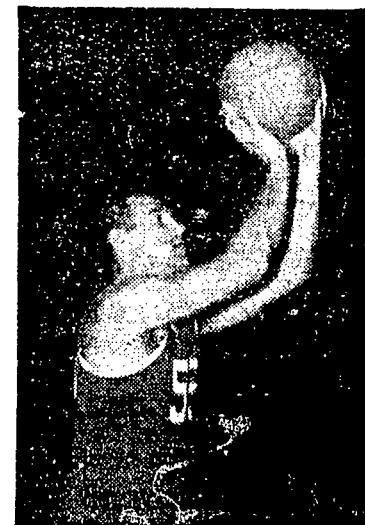

Alpha Phi Omega service fraternity announces that it will sponsor an all-school carnival March 17. A dance and talent show will be featured.

Greeks Will Support

All the Greek organizations on campus have agreed to support the carnival by having booths set up.

The second annual Ugly Man Contest will be held in conjunction with the carnival.

Any campus organizations wishing to supply an Ugly Man candidate, contribute talent to the talent show, or sponsor a booth at the carnival are to contact Bill Hardesty, Harry Robert, or Jim Coen no later than March 1.

Jerry Meznarich

Lowe Addresses

James Lowe, social science instructor, spoke to Beta Sigma Phi Monday evening, February 13, at the Dream Kitchen. Mrs. Lowe assisted him in showing slides. The subject of the talk was "Art in Archeology."

Meznarich Is Named 'Man of the Month'

Blue Key announces Jerry Meznarich as the January "Man of the Month". He was chosen on the basis of his sports ability and sportsmanship in basketball during the month of January.

Meznarich, a junior from La Salle, Illinois, transferred here his sophomore year from Drake University in Des Moines where he played basketball his freshman year.

An MIAA All Star

A physical education major and sociology minor, Jerry is one of three returning lettermen. He was unanimously elected by his teammates as captain of the Bearcat squad. He has the highest scoring average on the team, is a member of "M" Club, and was elected to the MIAA all stars at the Christmas tournament in Warrensburg.

During the past summer, he was the pitcher on the Maryville baseball team. He also worked as a life guard at the pool here in Maryville.

Dr. Frank Grube, sponsor of Blue Key, told a "Missourian" reporter that he was very proud to announce Meznarich as the January "Man of the Month".

Watch the "Missourian" for the next announcement of the February "Man of the Month".

Phi Mu's to Receive Nat'l Charter Feb. 25

Phi Mu colony will receive its charter February 25 when twenty-nine girls will be installed as active charter members of Zeta Lambda chapter of Phi Mu fraternity. Several national Phi Mu officers will be present for the installation of the new chapter.

The installation service will be preceded by Inspiration Week—February 19-25. During Inspiration Week, the girls will attend church together, meet daily to share in fraternity functions and to select Miss Scholarship, Miss Fraternity Best, Miss Social Grace, and

Miss Congeniality. The new girls also will be pledged February 24th.

Visitors

Several Phi Mu girls from Nebraska Wesleyan College at Lincoln, Nebraska, and from Baker University at Baldwin, Kansas, will arrive February 24 to help install the new chapter Saturday afternoon. The installation will be followed by a banquet for the Phi Mu actives and pledges.

Sunday the Alumnae group from Kansas City will sponsor an afternoon tea to introduce the new chapter to the college of NWMSC and its faculty.

Night Deposit Box Installed by Library

A night book deposit box was installed in front of the library Monday, February 6, for the convenience of the students, according to Library Department Head James B. Johnson.

Mr. Johnson said the device was created at the suggestion of the Student Senate. The night book deposit container will be locked to prevent book thefts.

It is expected that this portable bookholder will be a boon to those students who find it inconvenient to return reserve room books at the 9:00 deadline because of conflicting class schedules.

For the students' convenience, it will be stationed in front of the main library entrance for nightly usage.

SWIM MEET

A conference swim meet is to be held at the college pool Mar. 3-4. The tankers will appreciate your support.

Teaching Seminar To Be Tomorrow

The first seminar for student teachers will be held in Horace Mann Auditorium at 4:00 p.m. on Thursday, February 23. Mr. Everett Brown of the Placement Bureau will speak to the group.

Also, plans for the other seminars will be discussed and completed.

Students are required to attend all seminars unless excused by their college supervisor. Roll will be taken at each seminar.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Handbook for Litter-Bugs

Are you a litter-bug? If you are, you are not alone. This campus is blessed with many of the little creatures.

Qualifications

To be a litter-bug you must:

1. Throw all gum, candy, and cigarette wrappers at a spot you find convenient (just so it isn't in a trash can).
2. Clean out your notebook, clipboard, or purse on the way to classes, throwing anything you don't need on the campus grounds.
3. Avoid trash cans and wastebaskets at all times—they are strictly taboo.

Objectives

You say you qualify? Fine, litter-bugging keeps our campus looking so "lived in"—not to mention all the extra work we give ground and building officials (they get such a "kick" out of picking up after us).

Now, aren't you proud to be a member of the club? Just think, without you, things would look neat and trim at all times—our campus would be one we could truly be proud of.

Student-Faculty Discipline Committee

Have you ever wondered what the purpose of our Student-Faculty Discipline Committee is? The purpose of the committee, which is composed of students and faculty members, is to deal with students who interfere with the rights and welfare of other members of the campus community or who have brought disgrace to the College.

The discipline committee can further discipline any member of the campus community who is found in violation of the word and letter of campus regulations in any area.

Dismissal Power

The greatest power of this committee is to recommend the dismissal of the student for his conduct.

The students who serve on this committee are selected from the Student Senators each year. This year, the students are Dale Cramer, Roger Blackwell, Barb Burgess, and Rex Burgett. Faculty members are Dr. Charles Koerble, Miss Mabel Cook, Miss Violette Hunter, and Mrs. Martha Bladt.

Letter to the Editor . . .

Maryville, as a college town, is faced with a definite problem. There are few people aware of it except those directly connected with the college and there seems to be little concern as to the solution.

Not Enough Social Life

Of the nearly 2,000 students on campus, only the Greek organizations, which peculiarly are in a minority, have anywhere near a complete social life.

The trouble lies somewhere in the fact that there are only four or five major activities in which the independents may actively participate. Even the scheduling of our athletic events seems to be designed to limit student attendance with most of them being out of town.

College students will find recreation one way or another and if the college is not going to furnish it, they will go elsewhere. Maryville has only a bowling alley, a theater, and a rather deplorable tavern or two to offer and this is not adequate, considering the size of our school.

Recreation Center Needed

These facts are what are driving our students home on week-ends, causing them to dislike school, and destroying school spirit. The town needs a type of recreation center for the students to congregate where they can go to play cards, table tennis, bowling, dancing, or just sit and talk.

With our enrollment, there would be plenty of students that would take advantage of such a place. So what are we going to do? With a growing college such as ours, the students definitely need a place to go.

The only answer is for the town and the college to unite in a common cause: for the students! Contrary to popular belief, the college, and, also the town, will not amount to much without them.

—Kathy Smith

THE STROLLER

While visiting the Den yesterday, the Stroller found himself content mingling with the FRESHMEN. And was he overwhelmed by them! "Do you realize," the Stroller said, that if all the freshmen in the world were placed hand-in-hand in a line that they would stretch halfway across the ocean?"

(And some of the upperclassmen victims of the soggy "free-for-all" on Walkout Day are in favor of this idea).

Bridge Anyone??

Still in the Den the Stroller's cauliflowers denoted the great amount of enthusiasm which the underclassmen are showing for the bridge tournament which is approaching. Good luck fellows, you'll have some pretty rugged competition from some of the ole seven-year veterans.

"We'll see them on the probation list," an observer remarked to a friend. "Oh, I don't know," answered the friend, a habitual resident on the dean's honor list, as he whipped out a deck of cards.

While ambling through Frosh Hall—incognito—the Stroller's over-developed nose was assailed by the fumes of love's messenger. . . . alias, the "Rose." Frosh Hall is now

known as the Hot House of NWMSC.

Next door, amidst the aroma of "love's sweet messenger," a tinkling bell aroused the girls from their dreamland. Merrily (?????) they tripped out to enjoy the moonlight spring evening to the melodious sounds of masculine horns at 12:30 a.m.

It seemed evident from the cries of delight (?????) that everyone enjoyed the fire drill???

Auto Mishap

The Stroller regrets hearing about the car wreck last week which resulted in the injury of three NWMSC men. This unfortunate happening sent all three to the hospital.

The accident was no fault of the college men. A farmer's pickup was parked on the highway with its lights out. The car topped the hill and rammed the unlighted vehicle. The Stroller suggests that persons parking with their lights out should be COLLEGE COUPLES and NOT pickup drivers!!

Inquiring Photographer

Now that there is a great amount of tension over the trouble spots in the world, the MISSOURIAN asks this question to students from countries other than the United States: "Do you feel that students here at NWMSC take as much interest in world affairs as they do in your country?"

"I myself feel that the students here in Northwest Missouri are just as interested in the affairs of the world as my people are in Hong Kong."

"There is naturally much unrest now because of Castro. However, I feel that the fellows in Uruguay are more concerned over world affairs—but not the girls."

"I think college students here take as much interest or even more than they do in our country. World affairs aren't stressed as much in class, either."

"Since they have more compulsory history and geography courses in Turkey, I feel they have more curiosity and have acquired more interest in foreign affairs by the time they

Debate Teams Place High in Speech Tourney

Northwest Missouri State College placed near the top in the debate tournament held here at the college Friday and Saturday, February 10 and 11. William Jewell had the high over-all record with a 75 percent win-loss.

The Maryville debate teams also had a 75 percent record with the team of Robert Cotter and Priscilla Porter undefeated.

Dave Hargrave received a superior rating in discussion; Rose Ann Gard, Mrs. Marguerite Phelps and Mary Akers received superior ratings in the oral interpretation division.

Jeanne Morris, Sydney Thomas and Priscilla Porter received excellent ratings, also in oral interpretation.

Approximately forty students from Missouri U., Iowa State U., William Jewell, Tarkio Midland, Warrensburg and Maryville participated in the tournament.

ACE to Send Thirty To National Convention

ACE met February 15 in the kindergarten room at Horace Mann. The National Convention to be held April 3-6 in Omaha, Nebraska, was discussed.

About thirty girls from the Maryville chapter plan to attend the convention. A bus from the college will provide the transportation.

Bearcats Shy in Points, Indians Win

Northwest State's decimated Bearcat cagers were "hanging tough" until the final buzzer Monday night but fell to MIAA leading Cape Girardeau, 59-62, as the Indians clinched their first cage title in nearly 20 years.

The shocked Bearcats played without DeWayne Bond, 6-8 starter, as the St. Charles, Mo., cager withdrew from school about four hours before game time.

Coach Marion Moss had only eight of his original 12 varsity players left to work with in the crucial game. And at one time three of his starting five were on the bench for several minutes because of fouls.

While Maryville came back magnificently from behind five times during the game to either tie or take the lead, it wasn't until Ron Gray, who hit the high game score of 23 points, tied it up at 55-all with 6:11 left on the clock that Maryville seemed to weaken.

Gray had tied it up at 53-all on a 1-1 charity award as Paul Lizzo knicked him. But Jon Baldwin drove in from the right side and one-handed a two-pointer, to even it again.

Gray then meshed two more points on a 1-1 award on Rod Esch's foul at 6:11, to match it at 55-55 all.

Then the play that broke the Bearcats' backs came off as Vivan Reed stole the ball from Esch and drove the length of the court for a layup. He made it, but in the process was fouled, making the gift award and giving the Indians a 58-55 lead, a lead that was never relinquished.

That was with 2:14 left on the clock and the Indians stalled until 1:12 when Meznarich managed an MSC drive in basket, but Gray countered with a bucket and then came back with two free throws on a 1-1 award on a foul, for a 62-57 edge.

The victors hit only 36 per cent of their shots as compared to 41 per cent for Maryville, which gained a 37-26 advantage on the backboards, even without Bond.

Maryville held a five-point edge early in the game but Cape came storming back. Ritter hit five of six shots in the first half to keep the Indians in control.

Bond plans to return to the University of Houston in the fall but he and his wife plan to leave for Houston soon where Dwayne will work until school starts. He attended Houston as a freshman.

Bridge Tournament To Be Held Feb. 23

The annual Intercollegiate Campus Bridge tournament will be held at this college February 23. Starting time will be 6:00 p.m. in the new part of the Den. The games will be under the direction of Dale Cooper.

Coffee will be served to participating members. All those interested in entering the tournament are asked to either sign the posters in the Administration or Classroom building or contact Cooper.

Basketeers Win

The girls intramural basketball tournament was won by the Basketeers, an independent team.

Squad members are, from left to right: front row, Sue Agan and Jodine Ryan, captain; second row, Millie Tiedman and Marion Smith; third row, Kay Lovett and Joyce Norris; back row, Judy Hullman and Carol Dreyer. Not pictured, Dee Polsley.

Meznarich, Bond Place In Top Ten League Scorers

Two of the Bearcats players have placed in the top ten scorers of the M.I.A.A. Conference, according to league statistics released February 14. Jerry Meznarich and DeWayne Bond are the two players in this group.

'Mez' Takes Fifth

Jerry is in the fifth place, averaging 17.4 points a game. In all games played, Meznarich ranks third among the league leaders with a 17.5 average.

Bond Is Eighth

Dewayne Bond is eighth in conference play with an average of 15.4 per game. He has averaged 16.4 baskets in all games played, thus standing sixth in that department among league leaders.

The Bearcats are the leading defensive team in the Conference, limiting their opponents to 61.5 points a game while scoring an average of 68.3.

Jerry Stockard from Springfield is the M.I.A.A. top scorer, with an average of 20.4 baskets a game.

Cape Girardeau, the lead team in the Conference, also heads the league in team scoring, and has three players in the top ten scorers.

Swimmers Bow To Pitts. State

The Bearcat tankers were defeated by Pittsburg State by a score of 62-33 when the two teams met Tuesday, February 14.

Atkins — Hi-Point

Ed Atkins, high point man with 8 points, also broke three of the six new records set. Best times were improved by 15/24

was our finest meet of the season; and I was truly proud of the crew, for they swam their best even though defeat was evident. We are looking forward to the conference meet where they will meet Pittsburg again."

Social Security Posts Open to MSC Seniors

Senior students at Northwest State College who have passed the Federal Service Entrance Examination during this school year have the opportunity of being selected for positions with the Social Security Administration, according to Harry M. Kasper, district Social Security manager at St. Joseph.

Positions to be filled are for claims representative and claims examiner at various locations in the Midwest.

Beginning salary is \$4,345 or \$5,355 a year, depending on the qualifications of the applicant and the requirements of the job.

Anyone who thinks he is qualified should get in touch with the NWMSC placement office so arrangements can be made for an interview with Kasper.
